The Class is Free; the Exam is Free; but the FCC License Fee is \$35 (If you Pass)

– Gov't issued Photo ID needed.

Additionally, the FCC requires you to obtain a free FRN# prior to class—

See <https://apps2.fcc.gov/fccUserReg/pages/createAccount.htm>

For your pre-class preparation we suggest- <https://hamstudy.org/tech2022> .

Try the free 'Flashcards' or 'Read Questions' half an hour per day, and take 1 sample test daily.

Or, better yet-- At Hamstudy.org click on "**Buy The App**" & purchase the training App for \$3.99

Note that the Hamstudy.org stuff is not required; but it greatly increases the Exam Pass Rate.

Get Started on it Now!!

Items to bring to class—Your FRN#, Simple calculator, paper for taking notes, pen & pencil, & Sack Lunch (Sat.)

ps- If you already have an Amateur Radio License, study on your own & take a free upgrade license test with us.

There are training materials for the General & Extra Class Licenses at <https://hamstudy.org> too (The App covers all 3 Licenses).

For Registration/Questions Contact – Ken Tolliver (K7ICY) 503-544-7945

Note: The FCC has started charging a \$35 fee to process
new license applications. The Prep Class and taking the
Exam are Free. If you pass the Exam, the FCC will later
email you with the details on how to pay the \$35 FCC Fee.

If you fail the Exam there is no charge.

Additionally, if you take an Exam to upgrade to a higher
license (General or Extra), there is no FCC Fee.
